**The body is not able to make Vitamin C on its own
Vitamin C Supplementation is What Modern
People Need to Take Daily!**

A Must For Global Epidemic Prevention

- **Enhanced bioactive ingredients** • **Innovative formula**
- **High dose** • **High absorption rate**

C PUREWAY C™ Vitamin C

Excellent absorption rate, allowing vitamin C to enter the blood and cells at the highest rate. Compared to traditional Vitamin C, PureWay-C™ is more competent and can be stored in the body for a longer period of time.

D3 Vitamin D3

Strengthens the T cells power and acts as a protective mechanism with vitamin C

Zn Lalmin® Zn50 (Zinc)

Promotes enzyme activity, synthesize protein, promote the formation of respiratory mucosa, and inhibit virus replication ability

Curcumin Curcugreen® Tumeric

Protects the respiratory system, effectively reduces inflammation, and relieves joint and body pain in 8 weeks

European and American studies point out that Curcumin has "anti-epidemic" effect

Lutein

Protects the macular area of the retina from blue light damage, prevent cataracts

Mg Magshape® Magnesium

Regulates metabolism and immunoglobulin synthesis

**In an Israeli study and confirmed in the US medical paper
Combination of Vitamin C + D
supplementation is the best to fight
against epidemic
Reduce severe illness and mortality**

**Dr. Philip C. Calder, Professor of
Nutritional Immunology, UK says
Vitamin D + Zinc
Improve anti-epidemic efficacy**

Our Advantage -

Bio-Enhanced Nutrients

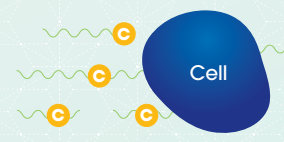

High Bioavailability – Absorb Easily In The Body

- 1 Unique bioflavonoids protect vitamin C from oxidants in the body, retaining more vitamin C.

Bioflavonoids Vitamin C

- 2 Unique fatty acids allow ascorbic acid to enter cells more quickly in a safe and effective manner.

Fatty acids Vitamin C

- 3 High absorption and retention rate in the body (increase 233%)
